

RFQ FOR CREATIVE COLLATERAL OF NEW CORPORATE BROCHURE

(Brand & Services marketing + Corporate communication/ Messaging)

➤ **Background brief**

Cemindia Projects Limited (formerly ITD Cementation India Limited) is one of India's foremost engineering and construction companies, with over nine decades of expertise in heavy civil, infrastructure, and EPC businesses. We are part of the Adani group entity.

Cemindia invites qualified, experienced creative content developers to participate in the development and production of its next-generation corporate branding brochure, encompassing design, layout, UI/UX, and format type setting as a single, turnkey work package, as defined in the paragraphs below.

The intent is to combine print publishing and online digital media for brand & services marketing, as well as *corporate communication/ messaging*. Also, to build and reinforce our established leadership in maritime structures, Mass Rapid Transit Systems, Airports, hydroelectric power, Tunnels, dams and irrigation, Highways, bridges and flyovers, Industrial Buildings, and foundation and specialist engineering.

➤ **Key deliverables**

Cemindia Project Limited is inviting qualified, experienced vendors and agencies to submit their qualifications by way of a creative collateral of a new corporate brochure:

- End-to-end development of a corporate brochure (for use as print/published medium and also online digital media)
- Interactive e-catalogues and flipbooks
- GIF catalogue curation
- Printing supervision, including advice on material and finish

➤ **Scope of Work**

○ **Corporate Brochure Design & Production**

- **Cover Page and Back Page:** Concept, design, and premium print finish.
- **About Us/Legacy Chapter (1 page):** Company history, mission, and achievements.
- **Core Competence/Technical (1 page):** EPC strengths and technical excellence.
- **Six Corporate Divisions:**
5 pages per division, covering unique capabilities, key projects, visuals, infographics, and short case studies.
- **Awards & Certifications (2 pages):** Visual presentation of recognitions, ISO/compliance certificates, and accolades.
- Complete content development, design, high-resolution images, and infographics.
- Print-ready files and all working source formats for future edits.

- **3.2 E-Catalogues and Flipbooks**

- Design and development of interactive, web-ready e-catalogues and flipbooks from the brochure and divisions' material.
- Compatibility with digital publishing/enterprise cloud platforms.
- Multimedia and animation are suitable.
- Mobile and cross-device optimisation.

- **3.3 GIF Catalogue Development**

- Creation of up to 6 animated GIFs reflecting company services or sections for use online, in presentations, and on social media.

- **3.4 Printing Advisory and Supervision**

- Advice on paper choice (including art paper, GSM recommendations), printing process, and binding.
- Supervision of print production up to final delivery across the following:
- Finished size will be 210 mm x 273 mm
- Printed on 250 gsm art card for superior durability and a professional look
- Outer cover laminated in a matte finish, providing an elegant texture and increased scuff resistance
- Inner pages: 130-170 GSM
- Binding: Saddle stitch/perfect/hard binding as per final design page count
- Oversight of proofing, print quality, binding/finishing, and packaging.
- Selected graphic or logo elements will be enhanced with Spot UV coating to offer visual distinction and tactile effect
- Offset printing method to deliver crisp details and vibrant colours as per Cemindia Project Limited branding standards
-

➤ **Deliverables**

- Final print-ready brochure (PDF + source files)
- Digital interactive flipbooks/e-catalogues (HTML5/PDF)
- Branded GIF catalogue (MP4, GIF)
- Supervision reports and completion certification post-print production

➤ **Vendor Qualification Criteria**

- Demonstrable expertise in corporate branding, brochure design, and digital interactive catalogues for leading infrastructure or EPC firms.
- Proven track record of similar assignments, with at least three past project samples.
- In-house design and digital production team or established network of subcontractors.
- Availability to provide on-site printing supervision at the press location in India.
- Financial and workforce capacity to manage a project of this scale and complexity.

➤ **Submission Requirements**

- Company Profile, Contact Details, and Client Portfolio
- Evidence of similar assignments (at least three), with reference contacts
- Bios of assigned team, including creative, project management, and print supervision leads
- Preliminary approach and methodology for the assignment
- Preliminary timeline for each deliverable
- Proof of statutory compliance (GST, PAN, company incorporation, etc.)

➤ **Commercial Proposal**

- Fee structure for design, digital development, GIF production, and supervision (as four separate line items.
- Rates for print supervision: as a fixed % cost of the final agreed PO of the project with inclusions/exclusions (such as advisory sessions, proof approvals, site visits)
- Note: Itemised cost for material samples/dummy production is to be built into the overall cost/ amortised.
- No photo shoot or use of stock images is envisaged; We will share images, however, they would need to be reformatted and even touched up/ to be normalised and tuned up for a common hue, feel/ background as part of the brochure, including senior management/board profile shots.

➤ **Evaluation Process**

Submissions will be evaluated on credentials, creative approach, relevant experience, team strength, and financials. Shortlisted vendors may be called for a presentation before being asked to provide a costing/quote for services based on the final/ revised scope of work, following the presentation/discussions.

➤ **Additional Notes**

- All creative and digital assets to be handed over upon project completion.
- Strict adherence to Cemindia Project Limited and Adani Group branding and compliance guidelines is mandatory.
- Cemindia reserves the right to reject or accept any response at its discretion.
