BEL's non-Defence business segment includes areas such as Electronic Voting Machines (EVMs), Homeland Security & Smart Cities, Solar, Satellite Integration & Space Electronics, Railways, Artificial Intelligence, Cyber Security, Software as a Service, Select Medical Equipment/Devices and solutions, Energy Storage Products, besides Composite Shelters & Masts. BEL's customers include the Army, Navy, Air Force, Coast Guard, Paramilitary Force/MHA, State Police departments, state government departments and consumers of professional electronic components.

BEL's paid-up capital is Rs.730.98 Crore and its shares are listed in BSE & NSE. BEL figures among the top 100 Listed Companies of India in terms of market capitalisation as on 15th February, 2024. The turnover of the Company for the Financial Year 2022-23 is Rs.17,333 Crore.

2.2 BEL's Manufacturing and R&D Facilities:

- Nine Manufacturing Units at (i) Bengaluru (ii) Ghaziabad (iii) Pune (iv) Machilipatnam (v) Chennai (vi) Panchkula (vii) Navi Mumbai (viii) Kotdwara and (ix) Hyderabad.

- Two Central Research Laboratories at Bengaluru and Ghaziabad
- One Product Development and Innovation Centre at Bengaluru

2.3 BEL's Office Network:

- **Marketing Offices:** (i) National Marketing, New Delhi, (ii) International Marketing, New Delhi and (iii) Civil Marketing, New Delhi.
- **Overseas Offices:** New York (USA), Singapore, Muscat (Oman), Colombo (Sri Lanka), ASEAN Countries.
- **Regional/Liaison Offices:** Bengaluru, Delhi, Mumbai, Visakhapatnam, Kolkata, Nagpur & Agra.
- **Regional Product Support Centers:** Delhi, Kochi, Guwahati, Kolkata, Port Blair, Mumbai, Visakhapatnam, Jammu, Chandigarh, Allahabad, Jodhpur, Sulur, Bhatinda, Wadsar & Bagdogra.
- **Water Front Support Centers:** Chennai, Port Blair, Kochi, Karwar, Visakhapatnam, Kolkata & Mumbai.
- **Software Development Centre (SDC): Visakhapatnam.**

3. Period of Appointment: Initially the knowledge partner will be appointment for preparing/developing/designing Integrated Annual Report for the FY 2023-24, which may **extended to further period of two financial years** with qualitative improvements over previous year, at the same rate and same terms and conditions on the basis of satisfactory performance after review at each financial year with the approval of competent authority.

4. Scope of Work, General Terms & Conditions and Other Details:

BEL would like to engage a knowledge partner for preparing/developing/designing Integrated Annual Report ('IAR') for the financial year 2023-24.

4.1 The Scope of the work is as follows:

SI No.	Activities Required to be Performed by Vendor
1	Conduct training sessions/workshops for relevant stakeholders/core-team within the organization to explain the IIRC Framework and Integrated Reporting framework/process involved in preparing Integrated Annual Report of BEL.
2	Review previous year Integrated Annual Reports of BEL and suggesting improvements/modifications/gap analysis/changes.
3	Conduct assessment of gaps against International Integrated Reporting Council (IIRC) framework on reporting processes. Present before the Committee with details on gaps identified and changes proposed.
4	Ideate and finalize the 'key message / theme' for the Integrated Annual Report (vendor shall provide at least 10 options for 'key message / theme'). The agency shall submit theme options highlighting the overall vision/growth/performance/ context/ business landscape etc. of the organization.
5	Prepare the Integrated Annual Report structure aligned with IIRC Framework. Develop content for the IR and its six capital structure based on guiding principles of IR and content elements as per the latest IR framework.
6	Identifying information needs and initiating data collection for Integrated Reporting as per the pre-defined questionnaires/ templates/guidance to be prepared by the vendor. Conducting meetings with the cross-functional team/core team/senior management, who will be driving Integrated Reporting within the organization to understand the relevant performance initiatives and strategy, as well as, to collate data and relevant information.
7	Identifying key stakeholders and the issues for the materiality Assessment. Identifying the external environment and the Company's response mapping (aligned to the disclosures made in the MD&A).
8	Writing and developing the narrative sections including, about this report, index, at a glance, key metrics, geographical presence and key highlights, Chairman's message, KPIs, interlinkage of six capitals, bringing out a clear value-creation story, theme stories, governance framework, megatrends (external environment) and scope for taking forward the narrative of the previous year and setting the tone for the subsequent financial years etc.

Sl No.	Activities Required to be Performed by Vendor
9	Developing each section of the report following the guiding principles and content elements of the <IR> Framework. Providing structural guidance towards depicting the risk management model and overall corporate governance practices.
10	Storytelling and copywriting the content and ensuring uniformity of tone, tenor and style. Data Consistency to be maintained across the Report and no duplication of sections in the entire Integrated Annual Report.
11	Draft MD&A will be provided by BEL. The vendor should edit, enhance the content of MD&A based on the interaction and research.
12	Designing (graphic designs/photographs) of cover pages based on the Integrated Annual Report Theme finalised (Designer shall provide at least 10 options for cover page to the satisfaction of the Committee) and execution of the design in the Report. A rationale explaining the theme, tagline and cover design should be furnished with each design.
13	Designing of Corporate Overview part of IAR (multi-colour) based on theme finalised (i.e non statutory part of Annual Report which includes Vision & Mission statement, financial highlights, geographic footprint, organisation structure, business segments, business model, stakeholders engagement, risk management, strategy, discussion on six capitals, Chairman's letter, Highlights of the year photographs, new business initiatives, photographs/profile of Board of Directors and Sr. Management, CSR initiatives, awards etc. to be designed with new, out-of-the box ideas, creativity, and aesthetic sense. (Designer shall provide at least 5 options to the satisfaction of the Committee). The Corporate Overview part of IAR will be around 45-55 pages.
14	Typesetting/Template design of Inner pages i.e Statutory Part of Integrated Annual Report which is estimated to be around 320 pages (two columns for Board's Report) will have mainly running text, tables, few graphs and financial statements to be designed in double colour. The vendor should be willing to take 10% increase in the number of pages, if any, without additional cost. (Designer shall provide at least 5-7 options for layout/template design/navigation design to the satisfaction of the Committee).
15	Typesetting/ Artwork/DTP for entire Integrated Annual Report in English & Hindi language and Notice of AGM in English & Hindi language. [The vendor should have Typesetting/DTP facility with skilled persons for

SI No.	Activities Required to be Performed by Vendor
	English and Hindi including editing work with requisite software (Hindi translation for the entire IAR will be provided by BEL in Unicode font)].
16	Grammar check, editing, value addition, visualization, better presentation in the content of the Corporate Overview part, Chairman's Letter, Board's Report, Management Discussion and Analysis Report, Corporate Governance Report, Business Responsibility & Sustainability Report and Notice of AGM.
17	Standardizing and proof reading of the entire Integrated Annual Report to ensure style uniformity, language & spelling accuracy and design consistency. Providing necessary information linkages across the report to ensure ease of navigability for the readers and mapping the story across the document.
18	Fortnightly progress review meetings with timelines to be attended by the Project Head and the other team members as per the given schedule by BEL.
19	Develop graphs, tables, charts and info graphics as required. Developing/designing the entire Integrated Annual Report.
20	Suggest new report content/presentation/layout/technique, if any, to be included, which can enhance the Integrated Annual Report.
21	The team lead must be totally committed to and focused on the project and be available for all meetings called by the Committee/Senior Management of BEL as per requirement. If required, the team lead may have to visit Corporate Office, Bengaluru.
22	Providing entire source file as required by Printer for printing Integrated Annual Report (English & Hindi) and AGM Notice. Co-ordination with printer for printing the Report, if required.
23	Preparing, reviewing and gap analysis of Business Responsibility & Sustainability Report including core mapping and assisting with assurance.
24	Providing guidance, specification, assist for Photo shot for IAR.
